

KEY ATTRIBUTES:

- Occupied Learning Centre
- Asbestos Removal and Electrical Upgrades

SUNBURY ADULT LEARNING CENTRE

Appointed by Surrey County Council to carry out a new lighting installation at the Learning Centre we discovered areas of asbestos during the pre-construction phase.

Working with our Client we incorporated asbestos removal within our programme to ensure works were completed on time.

Our works included:

Asbestos survey and removal

- Strip out and remove existing lighting
- Rewire and installation of new LED lighting and emergency lighting
- Replace non-compliant distribution board
- Main intake room upgrade
- Installation of new submain cable
- Installation of new car park street lighting

CLIENT:
Surrey County Council
